# About Volunteer MBC

Volunteer MBC is the volunteer centre for Mississauga, Brampton & Caledon. We fuel purposeful connections between people: non-profit social change organizations, residents, schools, businesses, and local government, **so that together we can address the most pressing social issues in our community.**

The primary services we offer are our...

- **Volunteer Referral System**, which combines one-on-one consultations and a robust online database to match prospective volunteers to opportunities with local non-profit community service organizations. In 2019, we made over 39,000 referrals to our ~200 member organizations.
- **Learning Centre**, which enhances the capacity of organizations through relevant training to board members, executives and leaders of volunteers, guiding them to lead more effectively and engage volunteers meaningfully.
- **Community Programs** that encourage, inspire and celebrate volunteers. We focus on inclusion and removing barriers, so that more people can be involved. We support newcomers integrating into the community, seniors sharing their experience, and youth developing their skills and self-esteem.
- **Outreach** at schools, events and hubs, to spread the message about the power of volunteerism and how to get involved.

## The V-Oscars

This is the 11<sup>th</sup> year where we are recognizing exceptional volunteers in the community and the 5<sup>th</sup> annual V-Oscars gala.
